

Mead Elementary PAC

Meeting Agenda

March 14, 2023 - 5:00 - 6:00 PM, MES Library

Type of Meeting: PAC Public Meeting

Attendance: Lauren Macauley, Betsy Ball, Erin Dienes, Erin Cory, Mary Amelotte, Jennifer Bridge, Sarah Hurianek, Noah Hurianek, Allison Pramik

Call to order : 5:04 by Lauren

- I. Pledge of Allegiance

- II. Approval of February's Meeting Minutes: Mary Amelotte motions to approve, Erin Cory seconds.

- III. Completed or Ongoing Business
 - a. Spring Fundraiser - Huge thank you to Sarah and Noah for another successful year. Sarah mentioned that they are aware that it was cold and the sound system was bad and those issues have been addressed for the future. Rancheros did an amazing job, they worked really hard throughout the event. The invoice Sarah received was reduced and it should be noted that Rancheros has been very giving throughout this process. Typical catering fee is \$15 per plate and Sarah ordered for 200 people. After the event they took the leftovers to the fire station and to the teachers lounge. The final invoice was \$2000 for the entire night and PAC added on a tip. Overall the fundraiser raised more money this year while also spending more. We don't currently know how much fund a need will cost as they are currently in talks with author, artist, etc.
 - b. Staff Appreciation - Sarah Wilson and Tenae Roark have taken charge of this event to be held the week of May 8-12. They were wondering if they could come in to decorate the lounge on Saturday or Sunday and Betsy said she will come let them in. They have also requested that photos be taken of the final products. Betsy will try to find a spot for a grill on a Tuesday or Thursday although this may not work logistically and could be a safety hazard with hot food. They are also looking for business donors and a call will be put out in the weekly newsletter. They will be looking for volunteers as the week gets closer. Mary Amelotte will handle the crossing guard and bus driver appreciation.
 - c. 5th Grade T-shirts - Mrs Dempsey is working with Misty, gave her designs and choices. Both have been agreed on and all is a go.

- d. Yearbook - Jenna and Shannon Huey are working on it, deadline is March 29th to order.

IV. New business

- a. Longmont Dairy Milk Cap Drive - First week of April, bring in Milk caps, put bin outside.
- b. Field Trips - An issue arose as parents were asked for a small fee for the upcoming kindergarten field trip to the Aquarium. The board's understanding was that field trips are completely covered by the PAC. A mistake was made in thinking that the budgeted amount was the final amount however this was really just a placeholder as field trips have been on hold for the past several years due to COVID and the budgeted amount hadn't been updated during that time. The PAC has the funding to support 1 field trip for each grade level. Stick to the plan for what has already gone out but will adjust the budget for next year so that this doesn't happen again.
- c. PAC Participation - Is there anything that can be done to get more people involved? Keep plugging away. Maybe get something for teachers to send parents directly. Having staff representation, maybe on a rotation. Having students present to PAC about what they are learning (in order to involve families of the presenting students).

- V. Monthly Financial Report - PAC continues to have excess funds and needs ideas of what to spend it on.

VI. Announcements

VII. Motion to Adjourn
