SCHOOL IS IN SESSION!

Welcome to the PAC Newsletter

The purpose of the PAC is to enhance the interaction between school staff, parents, teachers and the community. The organization will undertake projects and fundraisers to provide for programs and useful activities. It will also provide funds for special projects identified by the school or the Parent Advisory Council.

Some of the things that the PAC helped with last year was paying for field trips for students, providing meals for school staff during parent/teacher conference nights, creating a student directory for the school, staff appreciation week, teacher mini-grants and the school yearbook. The PAC also raised enough money through fundraising so that the school could build an outdoor classroom!
